SpongeBob SquarePants, 20 Tokens, Die

RULES

Object

Pass SpongeBob quickly...don't be stuck holding him when he burps!

Set Up

- Players sit in a circle.
- Place the pile of Tokens, as well as SpongeBob and the Die, in the center of the circle.

Play

- The youngest player goes first. Hold SpongeBob in one hand, and the Die in the other. Press SpongeBob's tie/chin area, and when the tropical tune starts playing, roll the Die!
- The Die will tell you where to pass SpongeBob:
 - If the Die lands on "Left," quickly pass SpongeBob and the Die to the player on your left.
 - If the Die lands on "Right," quickly pass SpongeBob and the Die to the player on your right.
 - If the Die lands on a jellyfish, hurry up and roll again!
- Remember to roll and pass fast...at some point SpongeBob is going to "pass gas" by burping, and you don't want to be holding him when he does!
- Whoever is holding SpongeBob when he suddenly makes a burping noise, must take a Token from the pile. That player

then presses the chin to start the music again, and starts another round of play.

- Keep playing until a player gets three Tokens.

Winning

The game ends when a player gets three Tokens. The player with the fewest Tokens wins (yes, there may be multiple winners)! Now play again!
